Reflection

Spring is a time for new life; a time of hope, a time of warmth. Recovery holds the promise of a new life, hope and warmth.

Remember, recovery holds out the promise! It is not a guarantee for hope, life, and joy. You must work the program in order to secure the promise.

During this Easter season, we pray to our Risen Lord to guide us to sobriety and to also protect those who are still suffering.

Christ is risen from the dead!

Alleluia! Alleluia! Alleluia!
